Hi everyone!

I am so excited to welcome you to Expression Dance Studio's 13th Annual Recital, "Disco Fever!" Reaching our 13th Anniversary has been an exciting achievement and I am so proud of the last 13 YEARS of owning Expression Dance Studio!

I am so excited for our dancers to be back in a theater performing on stage for our Expression Dance Studio family and friends! The last time our recital was performed in a theater was back in 2019! There is nothing like watching our dancers shine on stage, in a theater, with professional lights and air conditioning! They have worked so hard all year and we are so happy to be giving them this exciting experience and memory that will last a lifetime!

Opening Expression Dance Studio has been a dream of mine since I was a little girl. I have always loved to dance, believe everyone can dance and never wanted anyone to feel embarrassed or scared to try dancing! When I got older, I wanted to build a community that shared my same beliefs. When I opened our doors in the fall of 2009, I felt it was the right time to share my passion. I never could have imagined the great success and goals we have achieved. Dreams can come true, and I feel my studio is the living proof of that.

My mission has been to provide students with a safe environment in which they can express themselves through movement. My instructors are always encouraging students to express their own unique individuality and style. Everyone who joins Expression Dance Studio immediately feels a part of our dance family. I encourage my dancers of all ages and abilities to find their passion for dance. Whether a dancer is 18 months or 100 years old, there is a place for them at Expression Dance Studio.

From the bottom of my heart, I want to thank all of the families who have entrusted us with their children and believe in Expression Dance Studio's mission. My faculty and I are inspired every day by our students, and we are very passionate in making our dancers the best they can be. I know you have many options when it comes to your children's dance education and I am grateful for you trusting in our program and allowing us to be a part of your children's lives. I promise to continue to work hard, learn and grow in a positive manner to always give you the best experience at Expression Dance Studio. We look forward to many years of dancing together.

Happy 13th Year Anniversary!

Now sit back, relax and enjoy "Disco Fever"

Love,

Amber Saraceno

"As my mom walked me into Expression Dance Studio for the first time, I remember being so nervous and worried that I would be out of place. I had no clue that it would be one of the best decisions that I ever made. As I walked into Studio Orange for my first class with Miss Amber during the Tap Intensive, I remember feeling so welcomed right away, as the room was filled with so much support and love for dance. I knew that EDS would become my second home. I am so grateful that I have been able to be a part of such an amazing family and for all of the friendships I have made along the way. Being a part of this company and studio has truly been something special and I cannot thank Miss Amber and all of the teachers enough for making this such an incredible experience. Next year, I plan to attend Gonzaga University and will be majoring in Nursing and minoring in Spanish. I hope to continue dancing, whether it be on the dance team or in a dance club. While leaving the studio will be difficult, I'm so excited to see what the future holds and will be forever grateful when I look back on my time at EDS."

"I have been a member of EDS since it opened in 2009. Although that was a long time ago, I have cherished every memory at EDS, especially the memories of my last year here. I couldn't have asked for a better studio to be a part of, or a better place to call home. EDS has raised me in the best way possible. I am so grateful to have learned from all the amazing teachers, as well as the the lifelong friendships I have created. Although I am so sad to leave, I know I will always be a part of the EDS family. I will be attending Florida Gulf Coast University with a major in Nursing, in hopes of becoming a travel and pediatric nurse! I plan to join a sorority and continue my passion for dance in college. It's going to be different not having my EDS family just a quick drive away, but I know I always have them to come home to. I'm excited for what the future holds, and can't thank EDS enough for the endless relationships and opportunities it has given me!"

"I started dancing at Expression Dance Studio when I was 10 years old. Throughout my time at EDS, I have made so many friends and have been privileged enough to learn from the instruction of my wonderful teachers. While I am incredibly sad to be leaving this studio that has been my second home for so long, I am so excited to start the next chapter of my life. I plan on going to Tulane University where I will be majoring in Architecture. I know that the discipline I have learned from dance over the years will continue to help me throughout my life. Dancing will always be a part of me, and I am incredibly grateful to have spent my years at a studio that nurtured my passion for dance in such loving and encouraging manner."

"When I walked into Expression Dance Studio for the first time when I was seven years old, I was filled with nerves and uncertainty. Little did I know that I had just entered the place that would shape me into the person I am today. I am so grateful that I have been part of such a wonderful community of such caring and genuine people for so long. I have enjoyed every moment at Expression Dance Studio and have learned and grown as a dancer and leader. I hold the relationships I have made very close to my heart and will cherish them forever. Being able to grow up in an environment that is so positive has shaped me into the person I am today. Leaving Expression Dance Studio will be very difficult to do, but I am so excited to embrace my next adventure at Belmont University in Nashville Tennessee. Although it will come with many challenges, I believe that the lessons and friendships I have made will help give me the confidence to start this new chapter in my life."
